## Amazing are the mysteries of God!

It isn't uncommon in the U.S. for immigrants to accept Jesus for the first time in their lives. In fact, God has used this method to send the gospel back to places where typical missionaries find it difficult to go. Some of you will share my surprise at the opposite happening here with a deaf man. He immigrated to the U.S. From Mexico City and came back for a visit during the holidays and was the first person to be water baptized in the new deaf church. Amazing!

New deaf church service

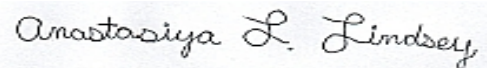

Linda enjoys teaching the hearing and deaf kids who come to the new deaf church service on Sundays. She uses crafts and pictures to teach them about Jesus. Randy and Ana help in the main service, teaching and encouraging the believers in establishing a strong and solid foundation for future deaf churches and ministries. In January, we will begin a deacon training class, a sign language class and begin doing other types of foundational training, Biblical doctrines, church finances, etc.

Please pray with us about the future possibility of a Christian deaf school here in Mexico City. The need is huge!

If you would like for us to visit your church in December of 2011 or sometime the following year, please send us an email at [randy@deafkidsmexico.org](mailto:randy@deafkidsmexico.org). You and I serve a supernatural God! Thank you for your prayers for this ministry and your financial support. God's best to you as we serve our King together reaching the deaf kids and adults in Mexico City!
